Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Bartlett Bay Wastewater Facility Energy Efficiency Improvements project in fiscal year 2024. The entity to receive funding for this project is City of South Burlington located at 180 Market Street, South Burlington, VT 05403. The funding would be used for energy efficiency improvements at the Bartlett Bay Wastewater Facility. The project is an appropriate use of taxpayer funds because it will help keep wastewater rates low for rate payers and reduce the facility's energy consumption.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
